such as kavilas, temporary shops, etc.

(6) To obtain accounts for the previous year's Jatra.

(7) To take proper arrangements for the Jatra.

3. As regards the 1st point the claims of the previous tenants were decided and that of maintaining the status quo is proposal after the Jatra is over as it requires some time.

4. The 2nd point could not be decided as there is difference of opinion among the Dharmakartas regarding the ownership of properties. Besides the shops are said to be required for the temple property. The question will be decided after ascertaining whether there is no other place to keep the temple articles. The matter was reserved till after the current year's Jatra.

5. As regards the 4th point, the old ground has been leased out on an annual rent of Rs.20/-. The Jatra village is under Co-operative management and hence there is nothing more to be done now.

6. As regards the 5th point, it was resolved that temple priests should collect such kanikas and maintain proper accounts of the same. It was also resolved that this fact should be widely published among the Vaidikas.

7. The sixth point relates to the last year's Jatra accounts. The accounts have not been placed before the Dharmakartas for scrutiny. Orders have been issued to place them for scrutiny at the next meeting and the same with the resolution of the Dharmakartas will be submitted in due course.

8. The last point is the arrangement for the ensuing Jatra. The Amildar reports that the representation of Vaidikas Chairman and others that they would undertake the current year's Jatra with Rs.450/- is not reliable. It is due to the most peculiar circumstances first arranged that the sum required for the ensuing Jatra should be given to the Dharmakartas who should meet the necessary expenses

expenditure with the help of Dharmadarsis, but as a complaint against this arrangement was subsequently received, the Amildar reports that he will keep the amount himself and see to the arrangements.

9. It may be mentioned here that among the Thigalars, there are two parties - one led by Vajaman Subbaravanna and the other by Varianagowda. Both these are the Dharmadarsis of this temple. It would be desirable to have the differences between these two parties settled amicably and satisfactorily. I will ask the present Amildar of the Taluk to make an attempt in the matter after the current year's Karaga Jatra is over.

9. The petition received with your Memo under reply is herewith retransmitted.

Sir,

Your most obedient servant,

Dewan of Mysore.

Sir,

In humbly and most respectfully inviting your kind attention to our memorial dated 23rd January 23, we presume that you are aware of the facts set forth therein. We grieve to see that as yet no definite action has been taken thereon. We need hardly reiterate that Sri Dharmarayaswamy temple of Bangalore is a Major Muzrai institution which is endowed with extensive lands. It is an irony of fate that the mismanagement of its funds which is continuing for the past so many years and which we have brought so often to the notice of higher authorities, is being overlooked.

Received Chamarajpet Post 17 FEB 1923

2. In para 3 of our memorial we brought to your notice that Yerrappa Gowda and his party drew an advance of Rs700/- towards the last jatra of the temple and squandered away the sum without accounting for it satisfactorily and we emphatically assured that we would finish it at an expense of Rs 450, if we were entrusted with the business experimently this year at least. Now this years Jatra is fast approching within a month more. Time is precious; and we make it our humble but urgent request that early orders may be passed on this question, reserving the others for solution at your convenience and leisure.

[illegible]

Sir

With due respect and submission, we the undersigned - devotees of the Sri Dharmarayaswami temple, Ulsur Petta, Bangalore City beg to approach you with the following representation hoping that you will kindly give it a sympathetic and detailed consideration and pass a final and decisive order thereon.

2. You are aware, Sir that Government have, in their Order - No.4497-9/ Muz.707-18-3 dated 29th June 1920 fixed a scale of income and expenditure for the temple which as a Major Muzrai institution is under their supervision and management. There are seven Dharmadarsis appointed for it. From interested motives, they have made it a policy not to disclose any of the accounts of the temple fearing that such a disclosure will lead to the discovery of the frauds and swindlings which, all along they have been systematically committing. Two of them Yerrappa Gowda and his cousion Venkate Gowda studiously avoid attending any of the meetings appointed by Convenor, their underlying object being that the discussions, questions and cross questions which will necessarily arise in such meetings will involve and betray them and expose their dishonest and fraudulent conduct. We grieve to say that the taluk authorities who are not unaware of their machinations complacently look upon it, insted of exercising any check over the reckless expenditure of the temple funds. Whenever we submit any petitions to them they invariably shelve

them

them till such time as the yearly " Karaga " festival of the - temple approaches when, on the eve of it. they tell us that the festival is nearing no action could be taken and that they would consider our representation after it is over. But this is never done at all. As a matter of fact we have since the last Jatra of April 29 took place, submitted 4 petitions all of which are still lying in the taluk office without even a shadow of investigation. We beg that you will kindly take particular notice of this studied indifference on the part of Taluk Officers.

3. Last year the taluk authorities advanced a sum of Rs 700/- for the expenses of Karaga festival to Yerrappa Gowda and Venkata Gowda and his party, without the knowledge of the other Dharmadarsis. How this sum was spent has not at all been accounted for. In this connection the Dharmadarsis convened a meeting on 27th November 1929 - passed resolutions therein and sent a copy of it to the taluk office on the very following day. But it is a surprise to us why no notice is taken of it as yet. We append here to a list of the various - sources of income of the temple which the said Yerrappa Gowda and his party collect for themselves and misappropriate them. We beg to assure to you that if the performance of the jatra festival of the temple this year is entrusted to us we will finish it at an expense of Rs 450/- to the satisfaction of the Government authorities in - general and of the members of our community in particular: and we - request that this experiment may be tried tentatively for this year at least. As the current years jatra will come off within about - 2 months from this date, we solicit the favor of your very early orders in this behalf.

4. We have submitted personally a memorial to the Nuzrai Commissioner also. In conclusion we beg to leave the final decision of this long standing and vexed question entirely in your generous hands.

/5. For which act of your generosity and charity we, as in duty bound shall ever pray for your long life and prosperity.

Sir,

With reference to your memo No.2765/M.F.352-22 dated 2nd May 1923 and subsequent reminders calling for the statements of accounts for 1922 and 1923 relating to the Karaga festival of the Sri Dharmaraya-swamy temple at Ulsoor pet, Bangalore City, I have the honor to forward herewith the two bills for Rs.765-11-5 and Rs.669-12-7 for 1921-22 and 1922-23 countersigned by the Deputy Commissioner, Bangalore -- District, for Rs.700/- and Rs.596-6-0 respectively and received with his letter No.O.C.2368 dated 17th October 1923 wherein the reason for disallowing the excess expenditure of Rs.65-11-5 and Rs.73-6-7 is given. The excess is understood to have been incurred by some of the Dharmadarsis, mainly by Venkategowda in spite of the Amildar's instructions not to exceed the budget grant. The Deputy Commissioner states that neither he nor the other Dharmadarsis approve of this excess expenditure, and that the same may be disallowed and the bills passed for Rs.700/- and Rs.596-6-0. I agree with the recommendation of the Deputy Commissioner.

2. The records received from the Deputy Commissioner are herein enclosed.
